sponsored by  
Kath Pearson's family**

## Issue 300, February 2026

**W**elcome to the February edition of *Village Life* (VL), in which we try to keep you informed of local news & events. It's delivered to your door each month by volunteers.

**H**SSG – VL provides news and information to every household in the village, so get in touch if you have any information or events that you would like included.

**A** downloadable version (PDF file) of VL is available here: [www.harbertondevon.co.uk/villagelife.htm](http://www.harbertondevon.co.uk/villagelife.htm)

**S**ponsorship – many thanks to Kath's family for sponsoring this edition. Their generosity has enabled us to print & distribute 400 free copies of the newsletter.

**K**ath Pearson passed away on 25<sup>th</sup> November aged 104. There is a memorial service for her in St Peter's Church on **Mon. 16<sup>th</sup> Feb. (2pm)**. Tea & biscuits afterwards, at the church. Kath moved to Packs Close with her husband John, from Clacton, Essex in 1987. They both loved Devon, the village and the surrounding walks. John passed away in 1997. She was an active participant in the Gardening Club, helped with floral arrangements at the church and enjoyed knitting, word puzzles and watching various sports on TV until her hearing and eyesight declined. She made many friends in H/ford and, with the help of her neighbours, continued to live on her own until, following a fall, she was admitted to Torbay Hospital where she passed away peacefully the next day. Kath leaves four children and their families.

**W**eather watch – was 2025 particularly dry/wet? Many thanks to David Groom for this data (in inches) for H/ford:

	2025	2024	2023	Av. 1983-2022
Jan-Apr	18.6	30.1	22.3	16.4
May-Aug	9.1	11.9	13.4	11.6
Sep-Dec	26.8	22.1	29.6	19.4
Total	54.5	64.1	65.3	47.4

So 2025 was, overall, drier than the two previous years, but 2023/4/5 were all wetter than the 40-year average to 2022. March 2025 was the driest March (<1/4 inch!!) in David's data.

**U**niversal Credit (UC) changes (from April 2026) - the amount of UC you get is changing because the UC standard allowance is increasing. A monthly UC payment = a standard allowance + any additional amounts you might get, based on your circumstances. To see what this means for you go to the *Citizens Advice* website. If you need help claiming UC you can call the *Citizens Advice Help 2 Claim* team (free) on 0800-144-8444.

### H/ford Allotment Society (HAS)

We're busy at HAS getting plots ready for new tenants in the Spring....why not be one of those new tenants? Never had an allotment and don't know where to begin? No worries, there's plenty of experienced growers to offer advice, share seedlings and be supportive. You don't even need to buy tools as there's a good selection to borrow from our communal shed. A quote from a member who joined last year: *'I have enjoyed being an HAS member so much and the allotment is bringing me (us) so much joy & abundance. Only last night we cooked a beautiful meal, once again with our lovely produce. The energy & vibrancy in the food is like no other. It has been also very nourishing for our hearts & minds and has been keeping us grounded and happy. All the advice & guidance have been wonderful.'* Give it a go and get in touch with the HAS Secretary at: [has-sec@outlook.com](mailto:has-sec@outlook.com). A visit can be arranged for you to see what's on offer.
